MAINSTAGE
CENTER FOR THE ARTS

Participant Expectations & Conduct Form

At Mainstage Center for the Arts, we strive to provide a positive, inclusive, and safe experience for everyone. By registering for a program, participants and families agree to the following expectations:

1. **Respect:** Participants will treat fellow participants, teaching artists, staff, and volunteers with respect.
2. **Inclusion:** Participants will recognize and support the variety of experience and skill levels within each program.
3. **Positive Participation:** Participants will avoid behavior or distractions that interfere with the experience of others.

We approach discipline in a positive and constructive manner, using encouragement and positive reinforcement whenever possible. If inappropriate behavior continues, Mainstage staff will contact the participant's family to work together toward a resolution.

By registering, families acknowledge and agree to follow these expectations, along with all other policies outlined in the registration form.
